

Intelligence and Wellness Built In

Stress is so much more than biting your nails. In fact, continual stress is enough to cause and exacerbate serious health issues. In creating our new ZeroG™ 4.0 Immersion Seating™, Human Touch® has taken the stress out of stress relief. Take a seat, recline to zero-gravity, and simply point to where it hurts using the revolutionary BodyMap PRO Immersion Director remote. The Smart 3D massage engine simulates the expert movements of the chiropractors who helped create them, leaving you relaxed, rejuvenated and ready to live life to its fullest. Immerse yourself in wellness.

Rejuvenation. Vibration. Circulation.

Soothe and invigorate sore, tired feet and lower legs with therapeutic massage. Your feet and lower legs work hard every single day. Give them some much-needed relief in the ZeroG™ 4.0's fully encompassing foot-and-calf massager. Slide your legs into the sleeves for a therapeutic massage complete with vibration and proprietary Figure-Eight® Technology that soothes aching, tired feet and legs while improving circulation.

Smart 3D Massage Engine

Flexible. Dimensional. Remarkable.

With the remarkable 3D Massage Engine in the ZeroG™ 4.0, you decide. The advanced massage engine delivers an enveloping, immersive massage experience that extends into and wraps around sore shoulders and lumbar-area muscles to provide maximum benefit and relief. Choose from three intensity settings to receive the exact experience you desire, and take your wellness, comfort and stress relief to the next dimension.
